

We have rapidly reached the lovely spring weather and the children have lots of exciting activities to look forward to over the next few weeks, including the circus coming to Arden Grove after the Easter holidays.

Just a few little reminders and updates. Please can you ensure you let the school office know about any changes to your contact number/s, email or home address. If you have any changes regarding who is able to collect your child, please remember to speak to your child's class teacher and ensure your emergency contacts are current and correct. Please can you also ensure PE kits are complete, named and left on pegs for the half term. We have had to lend out a lot of PE kit in recent weeks, however, we need these items returned washed as soon as possible as our spare kit is almost completely gone. Thank you.

Finally, a big thank you for all of your support to raise money for our playground development. Our Sing Up sponsored event raised a fantastic £800.

February 2019 Attendance: Congratulations Filby

Filby	98.3%	Wroxham	96.3%	Barton	96.9%
Salhouse	97.1%	Ranworth	95.1%	Hickling	97.9%

March 2019 Attendance: Congratulations Ranworth & Barton

Filby	91.5%	Wroxham	95.0%	Barton	98.1%
Salhouse	96.2%	Ranworth	98.1%	Hickling	97.1%

PSHE (Personal, Social & Emotional Development)

Next half term our theme will be all about building positive relationships. We will think about making friends, solving friendship problems that might occur and how to work well with a group of friends.

Packed Lunches

Following this half term PSHE focus on Staying Healthy, we have been talking to the children about healthy eating. As a result we felt this was the perfect time to revisit healthy eating and the information in our school brochure. We have now updated our brochure to ensure it also reflects our need to respond to allergies of children in school. Please see the updated information (opposite) and a big thank you with your support for this.

Mr. Thrower & Mrs. Waterfield (Head teachers)

If you wish to provide your child with a packed lunch, please ensure the lunch box is clearly marked with your child's name. We would also appreciate your support to reduce waste. We talk to the children about caring for our environment so we would be grateful if you could take the opportunity to consider ways to reduce waste, such as using re-usable pots.

An ideal packed lunch could include:

- A main item based on starchy carbohydrate e.g. different types of bread, pasta, potato, rice or couscous
 - At least one portion of fruit and vegetables. These could be separate items or in the sandwich or a salad.
 - Some kind of protein: meat, fish, egg or vegetarian equivalent
 - A drink - preferably water or fruit juice
- Also there *could* be:
- A dairy product - small cheese portion, milk or yoghurt
 - Something to finish with e.g. (one of the following choices) a muffin, malt loaf, a flapjack or a chocolate covered / wrapped biscuit.

Please remember **NOT** to pack

- * Confectionery (chocolate bars and sweets)
- * Fizzy and sugary drinks
- * Nuts. No products with nuts including Nutella, peanut butter, houmous, or cereal bars with nuts. We have children with severe allergies and we want to be as nut-free as possible.

Important Dates
